*For a Week That Lasts a Lifetime*

**Donate your scrap metal to Camp Pringle - we will turn the scrap to cash with the support of Steel Pacific Recycling**

Camp Pringle is a United Church of Canada Camp located on Shawnigan Lake. For 60 years we have offered camping opportunities for Southern Vancouver Island Youth. Steel Pacific has offered to pay Camp Pringle higher than market rates for all types of scrap metal for July and August 2010. We can take all metal (steel, aluminum, copper, etc) found for example in old car parts, chains, lawn mowers, wheel rims, household appliances, BBQs, doors, steel tubing, plumbing, bikes, file cabinets or fences.

***For more details, to coordinate a drop off or to arrange a pick-up please contact Dave Nicolson at 250-857-0444 or [d.nic@telus.net](mailto:d.nic@telus.net).***
